

# The Spirit of Impartiality

*abides only in congruent states*

and with such...

there are ***no wars nor striving***  
between peoples.

Each one does what they are  
gifted to do

***for the Collective***

...versus for their individual gains.

To have the spirit of impartiality  
is *the highest level of Thought*,  
which advances one  
on all

## Paths of Ascensions

# The Spirit of Impartiality

*abides only in congruent states*

and with such...

there are ***no wars nor striving***  
between peoples.

Each one does what they are  
gifted to do

***for the Collective***

...versus for their individual gains.

To have the spirit of impartiality  
is *the highest level of Thought,*  
which advances one  
on **ALL PATHS**
