

COME HOME, YISHARAL

Avrehhem is called when your Name becomes One
expansions of Light occur within your Seed
to walk to Yehu ܝܫܘܥ, Faces of Infinity
together you establish your covenant of Trees (repeat)

Avrehhem, in you, begets Yetschaq/Isaac
which is your promised, origins of Joy
and YAHÚWAH says unto you
To your Seed I appoint/give ten lands/ten joys
your hands are filled with the JOY of the Fathers released....

Of the twins that are born in you
Yaoquv/Jacob is the appointed Harvest of your Seed
as your SeedName multiplies within
YishARAL, your twelve, ***come to live in Ten lands...***

Come Home, Come Home YishARAL
Come Home, YishARAL (comings of ARiAL)
Come Home, YishARAL

Come Home l' Lauwi (to Levi—origins of your dwellings)

Though YishARAL scatters from afar
in going away from Avrehhem (inner expansions)
Yet YAHÚWAH calls them back again
Come Home, My Children, come home l'bethashem

Through days, your Children rise from afar
To walk in the Light of the nations
with Avrehhem/ Wisdom/ the sun,
Yetschaq/ Understanding/ the moon
and Yaoquv/ Knowledge/ the stars:
your Three (ascendants) abide as one.

your Three/ascendants Fathers abide as one.
your Three/ascendants Crown Jewels abide as one.
your Three/ascendants Lights abide as one.
