

# Come My Brother/Achi

*chorus:*

(Am) Oh come, my brother, come unto (Em) Laúwi

(Lauwi/Levi: Lammed + Yeuwd = the teachings and their deeds)

Oh come, my brother, be filled with Rauæchi

it is your Fathers good will to give It

Oh come, my brother be filled with your Spirit

We will go down down down

to the banques of River

and be baptized in the Name of Yahu-shuo

Oh come, my brother, hearken unto your Name

come follow, follow Laúwi

*and MaShayh (Moses) stands at the door of your camps calling: (Exodus 32:26)*

*all who are for YæHúwaH come with humility*

*all of the Laúwi rally to the side of the Lamb*

*as your servants they yet stand*

Oh come, my brother, open thine heart

Listen to the Voice of your destiny

Hear the Teachings inscribe in your Seed

Rising from the waters of your living Trees

Put your hand upon your tree

the cross-bones that uphold thee

give your all from your seed

to see your Name of glories

*and MaShayh stands at the door....*

Oh come, my brother, see the feet of the priests

standing in the waters to accept/lead thee

to cross over in the Name of Yahu—shuo

baptized into your skins/garments of liberty.
