

## **Come & EAT in the Evening and Morning**

(C) Come and eat in the evening and eat in the morning  
and (G7) drink from the Spirit of Life  
Come and eat in the evening and eat in the morning  
and drink from the Spirit of Life

I will (F) meet your every need;  
Through (C) Word unfoldings (states of 7 wildernesses)  
I'll feed thee;  
Come and eat in the evening and eat in the morning  
and (G7) drink from the Spirit of Life

My Words/Sayings take you higher  
as you travel on your Road (appointed orbits of your Name)  
They guide you on your journey  
As you open-up your living Stones.  
You'll defeat your enemies (inner/outer oppositions)  
My Rod and Staff support thee  
Come and eat in the evening and eat in the morning  
and drink from the Spirit of Life.

*An eternal supply of messages are laid-up in your SEEDNAME to sustain you with understanding/evening and Wisdom/morning allocations.
